CDP: Ope brief aan kerke CDP: Open letter to churches

The Christian Democratic Party (CDP) is convinced that Christians are the instruments of the Lord and not vice versa.

In view of the ANC's recent political strategy of making unacceptable and even blasphemous claims and pronouncements such as,

- The ANC will rule till Jesus comes;
- Zuma is the anointed of God;
- Jesus is a Communist;
- The ANC, SACP and Cosatu Alliance is the holy trinity;
- Voting for the ANC is a ticket to heaven;
- Comparing the Freedom Charter with the Bible;

the CDP wants to appeal to churches to, in fulfillment of their prophetic calling and in line with those who have already done so, insist that the ANC immediately stop this practice.

It is worth noting that although the ANC has made claims of being a Christian party, they have done nothing to remove or even suggest the removal of unscriptural laws such as abortion and many others from the statute books.

The CDP would like to make it quite clear that in putting out this appeal, we are not canvassing for your support, but rather earnestly requesting that all Christian churches and Christians in general express their disapproval and dissuade the ANC from continuing with what we regard as these blasphemous declarations, and to make it quite clear that this strategy will not be tolerated.

Die Christen-Demokratiese Party (CDP) is oortuig daarvan dat Christene die werktuie van God is en nie andersom nie.

In die lig van die ANC se onlangse politieke strategie om onaanvaarbare en selfs Godslasterlike aansprake en uitlatings te maak soos:

- Die ANC sal regeer tot die Wederkoms;
- Zuma is die gesalfde van die Here;
- Jesus is 'n Kommunis;
- Die ANC-, SAKP- en Cosatu-alliansie is die Heilige Drie-eenheid;
- -'n Stem vir die ANC is 'n vrypas na die hemel;
- Om die Vryheidsmanifes met die Bybel te vergelyk;

versoek die CDP dat kerke, in die uitoefening van hul profetiese roeping en in pas met dié wat dit reeds gedoen het, daarop aandring dat die ANC dié optrede dadelik staak.

Dit is insiggewend dat terwyl die ANC daarop aanspraak maak dat dit 'n Christelike party is, dit nog niks gedoen het of selfs net 'n sweempie van blyke gegee het dat dit onskriftuurlike wetgewing soos die aborsiewet en vele ander gaan skrap nie.

Die CDP maak dit baie duidelik dat ons nie deur hierdie brief u steun probeer wen nie, maar dat dit ons erns is om kerke en alle Christene te versoek om hul afkeer uit te spreek en die ANC te oorreed om nie met hierdie godslasterlike uitsprake vol te hou nie. Die boodskap moet duidelik tuisgebring word dat dié strategie nie geduld word nie.
