BLASPHEMY FROM PRESIDENT ZUMA

“Blasphemy from President Zuma, that when you vote ANC you are sure to enter heaven. That is a lie and totally unacceptable”, says **Rev Zuma**, representative of the Christian Democratic Party (CDP) in Mamelodi.

“Jesus Christ the Son of the Living God is the only way to the Father and to Heaven and not the ANC. When it is time for elections, you go from church to church like a lion hunting for a prey. This time we are aware of you and you are not going to get what you used to get, which is our votes. ANC councilors have been given a mandate to go to churches to get votes. It is over Mr President, no more votes from Christians. God has opened our eyes. It’s time that Christians wake up and not to be used as ANC puppets.”

“Look at their policies: my child at twelve, to go for abortion without consulting with her parents; the law protecting criminals, more than innocent civilians; allowing for a man to marry a man. Mr President, you’ve done the biggest mistake of your life against the very same people who prayed for you when you were in trouble.”

“Today you speak such a blasphemy about our God and heaven. Jesus is the ticket to heaven, and not voting for ANC. You’ve touched the wrong button this time concerning our faith. Also Gwede Mantashe’s statement that we are being childish, only shows how childish he is, and is to be expected from a leader of the Communist party.”
