Plaasaanval gefnuik

Die Christen-Demokratiese Party (CDP) het die polisie geluk gewens na 'n plaasaanval by Wesselsbron deur goeie misdaadintelligensie gefnuik is.

“Sulke nuus doen baie om 'n gedemoraliseerde samelewing weer hoop te gee,” sê ds. Theunis Botha, leier van die CDP. Ons sal egter ons druk op die regering volhou om die polisie behoorlik te bemagtig om plaasaanvalle hok te slaan. Ons verstaan ook dat Vrystaat Landbou se intelligensienetwerk al verskeie plaasaanvalle gefnuik het. Ons is dankbaar vir elke lewe wat so gespaar word,” sê Botha.

Farm attack thwared

The Christian Democratic Party (CDP) congratulated the SAPS with preventing a farm attack at Wesselbron after good crime intelligence was received.

“Such good news goes a long way in restoring the morale where hope was destroyed,” says Rev. Theunis Botha, leader of the CDP. We will, however, continue to pressurise this government to properly equip the SAPS to combat farm attacks. We understand that Free State Agriculture’s intelligence network has also thwarted several farm attacks. We are grateful for every life spared,” says Botha.
