Christians support Israel!

“The CDP is not surprised that Cosatu supports the international week against ‘apartheid Israel’ as they dubbed it. They of course have in the past expressed their opposition to America as well, as these two nations, along with others, have consistently stood between democratic freedom and communist-socialist aspirations to colonise and enslave the world” says Rev Theunis Botha Leader of the Christian Democratic Party (CDP and acting chair of the Christian Democratic Alliance (CDA).

“The CDP takes this opportunity to express their support for Israel, America and all freedom loving nations, as well as for a free-market economy, while at the same time warning uninformed agitators like Julius Malema of the dire consequences of nationalisation.”

Christene steun Israel

“Die CDP is nie verbaas dat Cosatu die ‘Internasionale week teen apartheids-Israel’, soos hulle dit noem, steun nie. Cosatu het uiteraard in die verlede ook sy afkeer aan die VSA uitgespreek, aangesien die VSA en Israel gereeld, saam met ander, strykdeur breed in die pad van Kommunistiees-Sosialistiese imperialisme en die verslawing van die wêreld daaraan, gestaan het.” So sê ds. Theunis Botha, leier van die Christen-Demokratiese party (CDP) en waarnemende voorsitter van die Christen-Demokratiese Alliansie (CDA).

“The CDP spreek by hierdie geleentheid sy steun vir Israel, die VSA en alle vryheidheidsliewende nasies, asook vir die vrye markeconomie, en rig terselfdertyd ‘n waarskuwing aan oningeligte opstokers soos Julius Malema oor die ernstige gevolge van nasionalisering.”
