IEC Launch of Local Government Elections – revealing

“The Independent Electoral Commission (IEC), at the launch of the 2011 Local Government Elections in the Sandton Convention Centre, clearly showed just how much they are controlled by their ANC masters and their International donors through the United Nations (UN)” says Rev Theunis Botha, Leader of the Christian Democratic Party.

“Three things were continually emphasized by them and not only the keynote speaker Mr John Githongo from Kenya appeared to have been briefed by them, but one after the other, the ‘leaders’ of the different parties, almost without exception, slavishly enforced this agenda.

“The three things concentrated on were the affirmation of youth and women and the promotion of an interfaith religion, which is fast becoming the new world religion. Those who were called upon to open the proceedings with ‘devotions’ were representatives of the ‘African Hebrew Israelites Community’, ‘Ecumenical Representative’, ‘Hindu Co-ordinating Council’, ‘Jewish board of Deputies’, ‘Muslim Theologians’ and ‘Traditional Healers Organizations’.

“When it came to the affirmation of women to achieve the International and ANC quotas of 50% representation, not only in all spheres of government but also in party structures and on party lists, even more party ‘leaders’ one after the other stated how many women hold key positions in their parties, some even boasting more than 50% representation. It reminded me of a bible scripture that says: Isaiah 3:12 ‘Women rule over you.... they which lead you cause you to err, and destroy the way of your paths.’ ”

“The CDP does not discriminate against woman and has many women in its ranks, but none of them have been affirmed. All have been elected or appointed purely on merit. The illogical emphasis on youth in our days has brought us to the point where Children will be ‘disobedient to parents’ (2 Timothy 3:2) and Isaiah 3:5 ‘....the child shall behave himself proudly against the ancient....’ And Isaiah 3:4 ‘And I will give children to be their princes, and babes shall rule over them’ and v12 ‘.....children are their oppressors.’

“The CDP has many God fearing and parent-honouring young people, both men and women, who are a credit to the party. It is time for all Christians to unite and so strengthen and defend our Christian heritage in South Africa.”

OVK se bekendstelling van munisipale verkiesing onthullend

“Met die bekendstelling van die 2011 munisipale verkiesing deur die Onafhanklike Verkiesingskommissie (OVK) by die Sandtonse konferensiesentrum, het die OVK sy ware kleure duidelik getoon oor in welke mate hulle deur hul ANC-meesters en die internasionale donateurs via die Verenigde Nasies beheer word,” aldus die leier van die Christen-Demokratiese Party (CDP), ds. Theunis Botha.

“Veral drie sake is deurlopend beklemtoon, en dit wil voorkom of nie net die hoofspreker, John Githongo van Kenia oor die stand van sake voorgelig is nie, maar ook die een na die ander ‘leiers’ van verskillende partye wat bykans sonder uitsondering hulle na hierdie agenda geskik het. Die drie sake wat so beklemtoon is is die regstelling van die jeug en vroue en die bevordering van ‘n intergeloofsgodsdienst wat nou vinnig ‘n wêreldgodsdienst word. Diegene wat gevra is om die geleentheid met gewyde optredes te open was die verteenwoordigers van die ‘African Hebrew Israelites Community, ‘ekumeniese verteenwoordiger,’ die Hindoe Koördinerende Raad, Joodse Raad van afgevaardigdes, Moslem-teoloë en die “Tradisionele genesersorganisasie.”

“Toe die regstelling van vroue en die bereiking van internasionale en ANC-kwotas van 50% verteenwoordiging in staatsliggame en politieke partye aan die beurt gekom het, het selfs nog meer

party-'leiers' gespog oor hoeveel vroue topposisies in hul partye beklee, soms meer as 50%. Dit het my herinner aan die Skrif in Jesaja 3:12 "Wat sê: '....vroue heers oor hullejou leiers is verleiers, en die weg wat jou pad moes wees, het hulle tot 'n dwaalweg gemaak.' "

"Die CDP diskrimineer nie teen vroue nie en het self baie vroue in sy geledere, maar almal het die posisies slegs op meriete behaal. Die onlogiese klem wat op die jeug geplaas word beteken dat die jeug... 'on gehoorsaam aan hulle ouers' is (2 Tim 3:2). Jesaja 3:5 sê '.....die seun sal die grysaard, die veragtelike sal die agbare stormloop. En Jesaja 3:4 'Ek sal seuns hulle vorste maak, en moedswilliges sal oor hulle heers.'

"Die CDP het baie Godvresende en ouer-respekterende jeugdige in sy geledere, jong mense, mans en vroue, wat 'n aanwinst vir die party is. Dit is tyd dat alle Christene saamstaan om ons Christelike erfenis te verdedig."
