Malema reveals true colours

"The Malema hate-speech trial revealed a great deal of the man who, as the President of the ANC Youth League, stood on the steps of the Supreme Court flanked by body guards armed with heavy automatic rifles," says Rev Theunis Botha, Leader of the Christian Democratic Party (CDP).

"This young man, who according to himself joined the ANC at the age of nine and who was given a 9mm pistol at the age of thirteen in contravention of International law, and trained to use it to kill with, revealed his Communistic revolutionary agenda in no uncertain terms. This is the young man President Zuma pointed out as a future President of South Africa."

All the Christian Democratic Party can say is 'God help us'.

"His hatred of whites, all of whom he sees as Colonialists and supporters of Apartheid could not be hid, in spite of his protestations to the contrary. His determination to follow in the footsteps of Mugabe whom he sees as an example of what a good African leader should be, paints a bleak picture for South Africa's future. He has all the characteristics of a despotic Communist leader who will not hesitate to annihilate all opposition and intimidate every citizen as he entrenches himself, in the mold of Idi Amin, as the supreme head of this country. His incessant reference to revolution means that even those in power at this time are not safe. Communists have always used the populist movement as a screen, before they take over and declare themselves as the only party. As always, the ones they pretend to support and represent namely, the 'oppressed', will themselves be victims and the ones who will suffer most."

"South Africa be warned …. 'all it takes for evil to succeed is for good men to do nothing'.

"Worst of all, this group, one of which was Winnie Mandela, in a desperate bid to identify themselves with the majority of South Africans, had the audacity to speak of Jesus Christ and to say that he would have supported their, obviously demonic cause."

Malema hys eie vlag

"Met die Malema-haatspraakverhoor is die laaste sweempie van die sluier afgeruk van die man wat, as president van die ANC se jeugliga, op die Hooggeregshof se trappe gestaan het omring van lyfwagte wat met outomatiese wapens gewapen was," sê ds. Theunis Botha, leier van die Christen-Demokratiese Party (CDP), ds. Theunis Botha.

"Die jong man wat self erken het dat hy op die ouderdom van nege by die ANC aangesluit het, en wat in 'n oortreding van die Internasionale Reg op 13 jaar met 'n 9mm pistool uitgerus en opgelei is om mense mee dood te maak, het sy Kommunistiese agenda in geen onseker terme nie gestel. Dit is die jong man wat president Zuma self as 'n toekomstige president van die land aangetoon het. Sy haat teenoor blankes, wat hy almal as kolonialiste en ondersteuners van apartheid beskou, kon nie verdoesel word nie in weerwil van sy beswaarmakery hieroor. Sy vasbeslotenheid om in Mugabe se voetspore te volg vir wie hy as rolmodel van 'n Afrikaleier beskou, het Malema sy eie vlag – 'n seerowersvlag met die doodsbeendere, laat hys. Dis slegte nuus vir Suid-Afrika se toekoms. Hy het al die eienskappe van 'n despotiese Kommunistiese leier wat nie sal aarsel om opposisie uit die weg te veeg, en elke burger sal intimideer terwyl hy hom in 'n Idi Amin-gietstuk as hoof van die land inwoel nie.

"Sy aanhoudende lawaai oor revolusie beteken dat selfs diegene wat nou aan die stuur van sake is, nie gerus kan slaap nie. Kommuniste het nog altyd van die populistiese bewegings as rytuig gebruik gemaak om die land oor te neem en hulself dan as die enigste wettige party te laat verklaar. "Soos

gebruiklik sal diegene wie se belange kamma gedien word, naamlik die ‘onderdruktes’ self die slagoffers wees en die spit die ergste afbyt.

“Suid-Afrikaners moet kennis neem dat al wat dit verg vir die bose om te oorwin, is vir die goeie om handjies gevou te sit.”

“Die ergste van alles is dat hierdie groep, wat Winnie Mandela insluit, in ‘n desperate poging om met die meerderheid van die land in pas te wees, die vermetelheid h het om van Jesus Christus te praat en te sê dat Hy hul duidelik demoniese saak sou steun.”
