Onderzoek Zuma - Gupta-bande - CDP

“Terwyl die Gupta warm patat van rolspeler na rolspeler aangegee word, is een ding baie duidelik: die bande tussen die Guptas en pres. Jacob Zuma moet nou eens en altyd deeglik ondersoek word,” sê ds. Theunis Botha, leier van die Christen-Demokratiese Party CDP

“Wat reeds uit die buitelandse pers duidelik is, is dat dit nie so seer die huidige insident is wat die land se beeld skade berokken nie, maar die verhouding tussen Zuma en die Guptas. Wat as feit aangebied word – ook in die Indiese pers.

“Wat presies is die kwalifikasies van Zuma se broerskind, Khulubuse Zuma, dat hy op die direksies van verskeie van die Gupta-maatskappye aangestel is?

“Dit is hoog tyd dat ‘n ondersoek bevind dat Zuma se politieke invloed nie te koop is nie, andersins dat die opvatting dat alles wel is, behoorlik bewys word.”

Investigate the Zuma – Gupta ties - CDP

“While passing the buck on who is to be blamed for the Gupta debacle which is still in top gear, one thing remains very clear, the ties between the Guptas and Pres. Jacob Zuma need to be thoroughly investigated,” says Christian Democratic Party (CDP) leader, Rev. Theunis Botha.

“What has become certain from the foreign press, is that it is not so much the incident itself which is damaging South Africa’s image, but the relationship between Zuma and the Guptas. Which is presented as fact – also in the Indian press.

“One of the questions that, answers are needed for is: What precise skills do Zuma’s nephew Khulubuse Zuma possess that qualifies him to serve on the boards of several Gupta companies?

“It is high time that an investigation casts light on the perception that Zuma’s political influence is up for hire or, that he be cleared, if innocent.”
