CDP Reaksie op plaasmoorde

“In reaksie op die plaasmoord van mev. Venessa Stafleu buite Randfontein, het ds. Theunis Botha, leier van die Christen-Demokratiese Party (CDP) gesê, dat dit onbeskryflik wreed is om ‘n jong ma voor haar vyfjarige seuntjie en driejarige dogtertjie dood te skiet,”

“Net meer as twee jaar gelede is die 2-jarige Willemientjie Potgieter saam met haar ouers vermoor, en is die land geskok. Die vlakke van wreedheid waarmee plaasmoorde gepaardgaan is so skokkend dat dit geen mens kan afstomp nie.

“Hierdie plaasmoord volg kort na nog ‘n vrou, die 75-jarige mev. Henna Coetzee, op haar plaas by Citrusdal vermoor is. Sommige plaasmoordenaars ontsien duidelik niemand in hul bloedlus nie.

”Ons beskou dit as uitermate onverantwoordelike regering dat plaasmoorde nie as prioriteitsmisdaad verklaar is nie.”

CDP: Reacts to farm murders

“Reacting to the farm murder of Mrs. Venessa Stafleu near Randfontein Rev. Theunis Botha, leader of the Christian Democratic Party (CDP) said that it is indescribably cruel to shoot and kill a young mother in front of her five year old son and three year old daughter,”

“Just more than two years ago the 2 year old Willemientjie Potgieter as well as her parents were killed, and the entire country was shocked. The level of cruelty during farm murders is so appalling that it is impossible not to be outraged by them.

“This farm murder follows shortly after another woman, 75 year old Mrs Henna Coetzee was murdered on her farm near Citrusdal.

“Some of these farm murders appear to be indiscriminate and are perpetrated only to satisfy some thirst for blood.

“We regard it as highly irresponsible that the government has not declared farm murders a priority crime.”
