CDP reacts to Tutu's statement on euthanasia

"To his support for abortion and same-sex-marriage, Bishop Tutu now adds euthanasia (suicide) on the list of things he supports that are totally contrary to the Word of God." Says, Rev Theunis Botha leader of the Christian Democratic Party (CDP).

"In his desire to be in the limelight it would appear that he has become a friend of the enemy instead of a friend of God.

"It is our opinion that should Jesus Christ have been on the earth today He would have greeted him with the same disdain that He treated the Pharisees of His day by calling him a 'hypocrite', 'whited sepulchre' and 'a son of satan'."

CDP reageer op Tutu se standpunt oor genadedood

"Biskop Tutu het nou genadedood (selfmoord) gevoeg by sy steun vir aborsies en huwelike van dieselfde geslag, wat lynreg indruis teen die Woord van God." So sê ds. Theunis Botha, leier van die Christen-Demokratiese Party (CDP).

"In sy soeke na die kollig het Tutu nou die vriend van die vyand, eerder as 'n vriend van God geword.

"Ons is oortuig daarvan dat sou Jesus nou op aarde gewees het, sou Hy Tutu met dieselfde afkeer gegroet het as waarmee hy die fariseërs behandel het, en Tutu skynheilig, 'n witgepleisterde graf en 'n seun van satan genoem het."
